Overall: State Hospital & Residential Treatment Center for Children uses FY 4/03-3/04. Other Psychiatric Inpatient includes general hospital psychiatric unit discharge records and Medicaid recipients in paid claim files who were served exclusively in licensed private psychiatric hospitals during the year (CY 2003). Because of the IMD exclusion, adults in this latter group are undercounted. Note that there is duplication of individuals among RTC, other psychiatric inpatient data and state hospital data.

Overall State Hospital & Residential Treatment Center for Children uses FY 4/03-3/04. Other Psychiatric Inpatient includes general hospital psychiatric unit discharge records and Medicaid recipients in paid claim files who were served exclusively in licensed private psychiatric hospitals during the year (CY 2003). Because of the IMD exclusion, adults in this latter group are undercounted. Note that there is duplication of individuals among RTC, other psychiatric inpatient data and state hospital data.
